"Building Confidence"

Personality plays a big role in the way children react. Some children may naturally be more cautious than others but you can help them feel more comfortable. Help your child ease into new situations. Think of them as the kind of children who prefer to wade gradually into a cold pool instead of jumping in all at once.

Point out their strengths. When children know they're good at something they will feel more confident.

Teach them manners and respect for others. Children will feel more at ease around other people when they know the right things to do and say.

"Respect"

- Be nice to other people.
- Respect the feelings of others.
- Keep your promises.
- Be a good friend.
- Use good manners.
- Respect others' property.
- Be polite to others.

Site Council Needs a Primary Parent Representative

The Woodridge Site Council is in need of a Parent representative who has a Kindergarten through Third Grade child at Woodridge. The Site Council is a committee of teachers, support staff, parents, a community member, and the principal. The Site Council meets the last Tuesday of each month at 3:15.

Our Site Council serves as a forum for input from community members, parents, staff members and principal to plan and problem solve. In recent years the Site Council has recommended and implemented significant safety improvements at Woodridge. The Site Council has also made decisions for building improvements and repairs at Woodridge funded through construction bonds passed by Spokane voters. If you are interested in serving on the Site Council or would like more information, please contact Robin Fiorillo, 467-6934 or Brian Melody, 354-4600.
