

Great news! Holmes will be holding full-day kindergarten this new school year. This is a great opportunity for our children and is offered at no cost to families.

The four other schools that qualified for the state grant that will fund the program are Bemiss, Logan, Regal and Stevens.

The schedule, meal offerings and transportation will be the same as they are for our other students. School is from 9 a.m. to 3 p.m. every day except Thursday when school starts at 9:30 to give our teachers time for important collaboration. Those who qualify for free or reduced-price meals may complete the application that will be sent home the first day of school. Children who live more than one mile from school can ride the bus.

Registration at the school begins after August 16 or at the central office at 200 N. Bernard St. between 8 and 4:00 p.m. weekdays. For before- and after-school childcare resources near Holmes, call Family Care Resources at 484-0048.

School starts Tuesday, September 4!
